

PATAGONIA &  
CAPE HORN

M/V VENTUS AUSTRALIS & M/V STELLA AUSTRALIS • 2024 - 2025

Australis Cruises explore the wonders of the southernmost channels in Patagonia and visit the main attractions of Tierra del Fuego, the Strait of Magellan, and the Cape of Horn. M/V Ventus Australis and M/V Stella Australis are expedition cruises offering roomy cabins, where passengers enjoy magnificent views to the sea and mountains. These trips will let you enjoy the natural, impressive beauty of Patagonia and live a great adventure in the end of the world. Onboard surprisingly comfortable boats with expert crew and guides. Designed to navigate the Patagonian fjords, they can sail through the most remote corners of Tierra del Fuego and reach where larger boats cannot. Each vessel has only 100 cabins (200 passengers maximum + 64 crew members) all with an exterior window and comfortable common lounges. On board, you will experience Nature and wildlife as never before —penguins, seabirds and sea lions, the warm shades of the Patagonian sunset, beautiful snow-covered mountains, while navigating by the Cape of Horn.
