

PATAGONIA &  
CAPE HORN

M/V VENTUS AUSTRALIS & M/V STELLA AUSTRALIS • 2026 - 2027

Australis Cruises explore the wonders of the southernmost channels in Patagonia and visit the main attractions of Tierra del Fuego, the Strait of Magellan, and the Cape of Horn. M/V Ventus Australis and M/V Stella Australis are expedition cruises offering roomy cabins, where passengers enjoy magnificent views to the sea and mountains. These trips will let you enjoy the natural, impressive beauty of Patagonia and live a great adventure in the end of the world. Onboard surprisingly comfortable boats with expert crew and guides. Designed to navigate the Patagonian fjords, they can sail through the most remote corners of Tierra del Fuego and reach where larger boats cannot. Each vessel has only 100 cabins (200 passengers maximum + 64 crew members) all with an exterior window and comfortable common lounges. On board, you will experience Nature and wildlife as never before —penguins, seabirds and sea lions, the warm shades of the Patagonian sunset, beautiful snow-covered mountains, while navigating by the Cape of Horn.

Boarding, departure, and arrival times are approximate. Passengers must comply with the check-in schedule and show up at the required times. Check-in, boarding, departure and arrival times may be delayed due to weather conditions by order of the maritime authority, for sanitary measures adopted by the Company or put in place by the authorities due to the welfare, health and safety of one or more passengers or due to an act of authority or other event constituting force majeure or a fortuitous event. The Company shall not be liable and affected passengers shall not be entitled to any compensation in these circumstances.

Likewise, in case of the delayed arrival of the vessel, the Company may need to delay the check-in, boarding and departure of the ship on the next trip. The Company will not be liable for any loss resulting from such delays and will not be required to compensate the affected passengers.

## RESERVATIONS, DEPOSITS AND PAYMENTS

The Company may cancel one or more voyages due to force majeure or acts of God, i.e., the measures imposed by the national authorities in the port of departure or landfall that prevent the departure or landfall and/or the restrictions imposed by the national or international authorities that restrict or prevent the access of passengers to the port of departure or from carrying out cruise voyages for leisure purposes. In the event of the cancellation of a trip for any of the above-mentioned reasons, the Company shall only be obliged to reimburse the value of the amount paid for the reservation, being deemed understood that any indemnity action for any reason, including consequential damages, loss of profit or moral damages, has been waived by the mere fact of making the reservation. The waiver shall also apply in case of the rescheduling of the voyage.
